TITANI know I have a black soul. Bloodshed and danger are what I live for.A King is supposed to rule his Kingdom using any means necessary to demand respect.I'm not a weak man... A King kneels to no one.I've only ever cared about one other person in my life, but the thing is, she never belonged to me. And before I could tell her how I felt, she left.Now she's returned, needing someone to save her.Emilee York was always meant to be mine, and I'll see to it that happens. I always get what I want, even if that means I have to take it.And she's no different. She'll be my queen, one way or the other.EMILEEWhen I left Sin City behind me, I had no plans to return. I avoided everyone, even my friends, to stay in my bubble. I've always been the kind to pull away and run when things get difficult.But one phone call changed everything, and I was racing back. If only I had known what was waiting for me.Titan reappeared like a ghost haunting me.One look and I knew he recognized me. I never forgot him or what we shared. Those feelings that no one else knew existed between us.I ignored them back then, but now they are more intense than ever."Get on your knees..." He demanded I kneel for him.I tried to act like he didn't affect me, but he knew. He remembered the way I reacted when he would touch me. And just like he was taught to do-he used my weaknesses against me.He staked his claim, and I became his queen to use how he saw fit.What makes it worse is that I crave him, and when I kneeled, it was willingly.But was it for nothing? (less)TITAN is the first book in the Dark Kings Series and can be read as a standalone. Due to mature content and themes this book is recommended for readers aged eighteen and over. I'm a sinner with no regrets. I'm a man with no shame. I'm a lover with no soul. What am I? You're a loner with no friends. You're a beggar with no place to go. You're a face with no name. Who are you? It doesn't really matter what I am or who you are. Everyone has sin in common. But I pride myself on doing it better. Through the eyes of another, I am envied. If they only knew the wrath I have endured. Greed can be a motherfucker, but it is what makes us strive to be better. Lust can make you burn, but without it you would freeze to death. Some of us are a glutton for punishment and want to feel the pain that reminds us we're still alive rather than overcome by sloth. The lure of these seven deadly sins is like an addiction. And I intend to indulge in each of these unforgivable sins.

What do you do when the devil has you in his sights? You show him that you can play his game. Austin Lowes is new to town. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now?
