"Real World Survival!" What Has Worked For Me is a book about the hard choices we may have to make to survive in the world today. The author examines the importance of proper mindset and being aware of the world around us. He describes some of the characteristics of the bad guys and the varied weapons they may use against us. He covers various types of self-defense tools, along with the importance of getting the proper training skills and offers some suggestions on where to get such training. Also included are sections on firearms that the author has used throughout his career in law enforcement, as well as the pros and cons of "customizing" a self-defense handgun. As noted author, self-defense trainer and expert on legal liability and the use of force Massad Ayoob says in the Foreword to "Real-World Survival!". "This is a damn good book....Walt Rauch is a tough old bird and a wise man. I've learned a lot from him over the years. And, now...you, too, are going to learn a lot from Walt Rauch".
