needlework projects accompany step-by-step diagrams and assembly patterns, while at-a-glance sidebars covering materials and cutting allow needleworkers to gauge the complexity of each project.” —The Needlecraft Shelf

Every day deserves to be celebrated, and with 101 Itty Bitties to choose from, it's easy to make that happen. Use wool scraps and a bit of hand stitching to create 2" squares with motifs and sayings for holidays, seasons, sports, gardening, pets, and more. The designs are quick to complete and make perfect take-along projects. Tuck the tiny treasures into vignettes, turn them into wearable art, add a magnet and display them on your refrigerator, tie them to a gift, or send one to a friend to brighten their day--the possibilities are endless. Make an Itty Bitty (or 101!) and make every day a

celebration!

Here is the largest, most comprehensive history of American quilts ever published! The Quilt explores the evolution of quilting in America, showing in vivid colors and patterns how African American, Amish, Hawaiian, Hmong, and Native American quilts celebrate cultural identity, and how quilts connect us to one another through quilting bees and other community groups. Noted quilt historian Elise Schebler Roberts also goes beyond the historical nature of quilts to cover current efforts at quilt preservation, collecting and appraising, and state documentation projects. Her book features an encyclopedia of favorite quilt styles and is gloriously illustrated with more than 200 full-color photographs of classic collectible quilts.

Start with a simple block. Slice, turn, and sew slices back together. Then watch the magic happen! It's hard to believe such complex-looking quilts can come from such easy-to-sew blocks, but turnabout techniques transform even the most basic blocks into showstopping quilts. In some cases slicing isn't even necessary--just turn units as directed for unique designs! Each chapter focuses on a single block; just follow along to sew, slice, turn, and sew again. Find several design options for each block, along with a total of 24 quilt patterns, so you can make lap quilts, runners, and more with the turnabout blocks you create.

Spend an evening stitching any of the designs in this book and you'll instantly remember what you've always loved about

embroidery: it's fun, you can see the design quickly take shape right before your eyes, and in the end you have a delightful piece to brighten your home or office. From beautiful florals to inspirational sayings to whimsical tacos (yes, tacos!), you'll find more than a dozen designs to make you smile. Beverly McCullough of Flamingo Toes provides easy embroidery and finishing instructions so you can display pieces in hoops, on pillows or zip bags, and even on cork and clothing. Beverly's inspiring designs and ideas will make it a pleasure to take each stitch.

Welcome to the wonderful world of Kim Diehl--on a splendidly small scale! Kim's little quilts have three big benefits: they're scrap friendly, they're quick to finish . . . and they're as cute as can be. Now you can create a wonderful variety of pint-sized quilts in
