Ken Honda—Japan ' s #1 bestselling personal development guru—teaches you how to achieve peace of mind when it comes to money with this instant national bestseller. Too often, money is a source of fear, stress, and anger, often breaking apart relationships and even ruining lives. We like to think money is just a number or a piece of paper, but it is so much more than that. Money has the ability to smile, it changes when it is given with a certain feeling, and the energy with which it imbues us impacts not only ourselves, but others as well. Although Ken Honda is often called a “ money guru,” his real job over the past decade has been to help others discover the tools they already possess to heal their own lives and relationships with money. Learn how to treat money as a welcome guest, allowing it to come and go with respect and without resentment; understand and improve your money EQ; unpack the myth of scarcity; and embrace the process of giving money, not just receiving it. This book isn ' t to fix you, because as Ken Honda says, you ' re already okay!

Jewish mysticism who are “ simple and unassuming, ” and “ so good that on account of them God lets the world go on. ” Jeff puts it another way. “ The wonderful thing about the Dude is that he ’ d always rather hug it out than slug it out. ” For more than a decade, Academy Award-winning actor Jeff Bridges and his Buddhist teacher, renowned Roshi Bernie Glassman, have been close friends. Inspiring and often hilarious, *The Dude and the Zen Master* captures their freewheeling dialogue and remarkable humanism in a book that reminds us of the importance of doing good in a difficult world.

By dipping into this little book of simple Zen Buddhist sayings, you can calm your anxiety and return serenity to your soul. Are you feeling stress and anxiety from the demands of daily life? Do you feel overwhelmed by your to-do list and the constant deluge of information from all quarters? Are you unhappy with your life and envious of those around you? At times like these it's important to step back and take a breath. Zen meditation may conjure up images of sitting in silence for long hours, but according to Buddhist monk and author Shinsuke Hosokawa, Zen can be summed up as "the knowledge needed for a person to live life with a positive outlook." With this in mind, he has produced this charmingly illustrated collection of thoughts and sayings to help you live life with less stress and anxiety. The sayings include: Pay attention to what is right in front of your eyes Nothing happens by chance. Every encounter has its meaning Be careful not to confuse the means and the purpose Keep flowing just like water Nothing will control you Even a bad day is a good day Check

Each page has an illustration and a simple, meditative reflection to help you see into your own heart, accept your current state of being, reduce anxiety and find peace. Best-selling author and spiritual teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times. We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The teachings she presents here—known as the “Three Commitments”—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the
